Quick launch

- Upload data**
Upload or drag and drop spreadsheets, csv files, and other data sources.
- Prepare data**
Use data modules to clean and connect data from multiple resources.
- Exploration**
Quickly find unbiased answers by identifying trends in your data with data exploration.
- Present data**
Create sophisticated, multi-page, multi-query dashboards, reports, or stories.

This screenshot shows the 'New exploration' interface in IBM Cognos Analytics with Watson. On the left, there's a sidebar with sections for 'Cards', 'Data relationships', and 'Fields'. Under 'Cards', there are options for 'Select a card' (with 'Single visualization' and 'Compare visualization' choices) and 'Data relationships'. Under 'Fields', it says 'No visualization created' with a note to 'Create a visualization to manage the field settings.' A central workspace area has a 'Choose a type' button. The top navigation bar includes tabs for 'Analytics', 'Details', 'Fields', and 'Properties', along with a search bar and user profile icons.

This screenshot shows the 'New exploration' interface in IBM Cognos Analytics with Watson. On the left, there's a 'Cards' section containing one card and a 'Data relationships' section with a network diagram and three empty boxes. The central area is a large workspace with a title 'Create a visualization' and a sub-instruction 'Drag and drop fields or choose visualization type'. A blue button labeled 'Choose a type' is prominently displayed. On the right, there's a 'Fields' section with a heading 'No visualization created' and a sub-instruction 'Create a visualization to manage the field settings'. The top navigation bar includes tabs for 'Analytics', 'Details', 'Fields', and 'Properties'.

Values

Branch

The chart displays three stacked bars representing Branch A, Branch B, and Branch C. The total height of each bar is approximately 75. The segments within the bars represent different measures: Unit price (blue), Tax 5% (green), and Payment (purple). The distribution varies by branch, with Branch A having a higher proportion of Unit price compared to Tax 5% and Payment.

Total

This screenshot shows a Cognos Analytics dashboard titled 'IBM Cognos Analytics with Watson'. On the left, there are three summary values displayed in boxes: 'gross margin ...summary value' (4.76), 'cogs summary value' (308K), and 'Total summary value' (323K). In the center, a large '323K' is prominently displayed with the word 'Total' below it. To the right, there is a 'Fields' section with a table showing one entry: '# Value*' with 'Total' under it. Below this is a 'Local filters' section with a placeholder 'Click or drag data here'. At the top of the screen, there are several browser tabs and a toolbar.
